

COMMUNITY FORUMS ON MAJOR CHANGES IN SOCIAL WORK REGULATION COMING JANUARY 1, 2011

Learn about and ask questions regarding new non-clinical licensing options, mandated licensure for those in clinical practice, and title protection for the title “social worker:”

- Licensed Master of Social Work program (LMSW - non-clinical, voluntary licensure)
- Registration as a Bachelor of Social Work (RBSW, non-clinical, voluntary registration)
- Mandatory licensure (practice act) for those practicing clinical social work (some exemptions from licensure requirement apply)
- Title Protection for the title “social worker” (title can only be used by social workers who are registered, certified or licensed by the Board)
